

Christian Formation for the 3 – 12 year old Child

The Catechesis of the Good Shepherd training Level 1, Parts 1 and 2, are being offered back-to-back between July 18th and 28th, in Masterton, at the St Andrew's in the Paddock Atrium.

The Catechesis of the Good Shepherd programme is foundational Christian education using the developmental age of the child as a guide to the work offered to them.

It is adaptable to all denominations and can be used as a 'Sunday School,' or as a weekly session to suit your community.

All training begins with Level 1 and that provides the base for the next two levels. Level 1 is adaptable to suit the ages of the children you have.

Formation Leader for this course is Rev'd Liz Greville, a priest within the Anglican parish of Masterton.

Liz is available to visit and give a presentation for your church, children's leader or vestry, and they are also invited to visit the St Andrew's Atrium to see one in action.
