

quote from Dorothy Sayers

Sunday, 11 April 2010 13:49 - Last Updated Sunday, 11 April 2010 13:53

“A man's fundamental beliefs are to be found, not in his expressed opinions, for to express an opinion is to admit that a contrary opinion may exist - but in his unexpressed assumptions. A thing really believed has passed beyond possibility of discussion and to say 'I believe' is to say 'I doubt'. It is only the insecure who have to be earnest about their faith.”
